

ALL NEW LOOK FOR DUDLEY MOTOR COMPANY

Dudley Motor Company undergoes £500,000 refurbishment to make their facilities even better than they were before. With an all new air conditioned showroom and state of the art modern facilities Dudley Motor Company has all the features you would expect from a seven car showroom.

Dudley Motor Company is a family-owned business proud to have served motorists in the West Midlands for over 60 years. The family's philosophy is if you put customers first then they will do the same for you. The rewards of this success are then invested back in the business - in developing first class staff, delivering first rate service and in state-of-the art facilities.

This family-owned business offers great value for money on all New and Used cars and vans including a full range of Vauxhall vehicles on site and ready to test drive at any time. They

have 1000+ vehicles in group stock for you the customer to choose from.

Dudley Motor Company's new fully equipped parts and workshop department are ready to service or repair any vehicle from the full range of Vauxhall cars and commercial vehicles including class 7 MOT's.

"Our new parts department has a comprehensive range of Vauxhall parts to service all our existing and new retail and trade customers. We are here to help make your motoring experience comfortable and pleasant. We look forward to seeing you."

Take a trip down to the all new showroom and have a look at what's new:- The New Vauxhall Crossland and the New Insignia 2017. The cutting edge design and technology.
